

Name, Number, and Date _____

3 Act Task Recording Sheet

ACT 1

What is your driving question?

Write an estimate that's too low.

Write an estimate that's too high.

What is your official estimate to answer your driving question?

ACT 2

What information do you already know?

What information do you need from the teacher to answer your driving question?

Now that you have more information, what is your new estimate to answer your driving question?

Show how you were able to find your current estimate that answers the driving question.

ACT 3

How close was your guess and solution to the driving question?

What would have allowed you to find a more accurate solution?

What is your group's conclusion?

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
